### Social program

For the participants interested for tasting some good wines, an excursion will be organized to the famous caves Cricova or Mileștii Mici, located at about 20 km from Chișinău. The visit includes wines tasting.

The Cricova caves are 54 km long and are located at 80 m depth. The wines, some of them 100 years old, are kept at constant temperature of 9°C.

The underground winery city Mileștii Mici is located in an former rock exploitation. It is registered in the Guinness Book of Records as the longest winery cave with over 200 km galleries.

## INTERNATIONAL CONFERENCE ON ELECTROMECHANICAL AND POWER SYSTEMS

CHIȘINĂU, October, 4 – 6, 2007

First Call for Papers

Faculty for Electromechanical Engineering  
University of Craiova  
CRAIOVA - România

Faculty of Energetics  
Technical University of Moldova  
CHIȘINĂU - Republic of Moldavia

Faculty for Electrical Engineering  
Technical University "Gh. Asachi"  
IAȘI - Romania

## SIELMEN 2007

<http://www.em.ucv.ro/sielmen>

We are very pleased to invite you to participate to

### The 6<sup>th</sup> INTERNATIONAL CONFERENCE ON ELECTROMECHANICAL AND POWER SYSTEMS

that will be held in Chişinău, Republic of Moldavia, from 4 to 6 October, 2007. In the same period, will be organized the **EXPO SIELMEN 2007**.

#### CONFERENCE COMMITTEE

##### Chairmen:

**Prof.dr.eng. Alexandru BITOLEANU**

Dean-Faculty for Electromechanical Engineering Craiova

**Prof.dr.eng. Ion STRATAN**

Dean - Faculty of Energetics Chişinău

**Prof.dr.eng. Mihai CREȚU**

Dean - Faculty for Electrical Engineering Iaşi

##### Co-chairmen:

**Prof.dr.eng. Aurel CÂMPEANU**

Faculty for Electromechanical Eng. Craiova

**Prof.dr.eng. Tudor AMBROS**

**Prof.dr.eng. Petru TODOS**

Faculty of Energetics Chişinău

**Prof.dr.eng. Lorin CANTEMIR**

Faculty for Electrical Engineering Iaşi

#### TOPICS

- ◆ Automations
- ◆ Automotive equipments and electrical traction
- ◆ Bio-, Nano- materials & technologies applied in electrical engineering
- ◆ Electrical apparatus
- ◆ Electrical drives
- ◆ Electrical energy transport and distribution
- ◆ Electrical energy utilizations
- ◆ Electrical machines

- ◆ Electromagnetic field and electrical circuits
- ◆ Electro-ecology
- ◆ Engineering education
- ◆ Industrial robotics and flexible manufacturing lines
- ◆ Mechatronics
- ◆ Metrology and measurement systems
- ◆ Power electronics
- ◆ Reliability and diagnosis
- ◆ Thermal and electrical power generation

#### VENUE

The Conference will be held within Faculty of Energetics, Technical University of Moldavia, 78, "31 August" Street, Chişinău, Republic of Moldavia

#### INFORMATION FOR AUTHORS

##### IMPORTANT DATES

**January, 31, 2007** – submission of the extended abstracts (3 pages text and figures) and full-filling the on-line registration form;

**April, 30, 2007** – notification of acceptance and communication of the template;

**July, 30, 2007** – submission of final paper (4 or 6 A4 pages in IEEE format) and payment of the registration fee.

##### PAPER FORMAT AND CORRESPONDENCE

- The papers will be edited and presented in English or French, in Word or pdf format (maximum two papers as author and/or co-author);
- All the correspondence will be made by the way of the conference site.

##### REGISTRATION

- Conference fee is 40 € (first paper / first author);
  - Fee for additional paper-20 € (for the second paper having the same first author);
  - Fee for accompanying persons is 20 € / person
- The fee grants the access to the Conference sections, the volume of the conference, coffee breaks and banquet.
- Details concerning the payment will be communicated in due time on this page. The fee must be transferred before the Conference, without being charged by banc or mail taxes.

##### SCIENTIFIC COMMITTEE CO-CHAIRMEN

**Prof.dr.eng. Radu MUNTEANU**    **Prof.dr.eng. Mihai Octavian POPESCU**  
Technical University of Cluj                      University "Politehnica" of Bucarest

##### EXECUTIVE COMMITTEE AND SECRETARIAT
